Ideal candidates will possess the following:

Essential:

- Full driving license
- Some experience within the stone masonry industry
- Previous experience in the safe movement of heavy items
- Accurate and highly attentive to detail.
- Safety conscious with a commitment to Health and Safety requirements
- Good communication skills and interpersonal skills with an ability to work independently and as part of a team
- Able to follow instructions, measurements, templates, and layouts.
- Willing to learn new skills and develop within the role.
- Organised and able to adapt to changing workloads.
- Respectful and professional when working in cemeteries and around memorials, with sensitivity and discretion towards bereaved families
- Ability to resolve conflict calmly and professionally, escalating when appropriate
- Safe Pass and Manual Handling certified
- Reliable, good timekeeping and attendance

Desirable:

- C1 license
- Previous experience in similar role
- Experience using design software such as MasonART
- Experience operating machinery (e.g. crane, lorry loader, slinger/signaller, etc.)
